

Now in the Library, and find them in excellent shape and order, and can see nothing that requires suggestion from us. All owing to your worthy Librarian, who always keeps a watchful eye over the Books, and thereby furthering the interests of the Y. M. L. A.

The Furniture & Fixtures, seem to be in excellent repair. As a small item of economy, we would respectfully suggest the purchase of a couple of splitstons for the use of the Library room.

1st You will find attached to this Report, an inventory of the property of the Association.
